ARTICLE 5
GRIEVANCE PROCEDURE

- A. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems that may arise under this contract. The grievance procedures will be kept as informal and confidential as may be appropriate at any level of the procedure. Informal settlements shall bind the immediate parties to the settlement but shall not be precedent in a later grievance proceeding.
- B. Definitions
 - 1. A "grievance" is an alleged violation of this Agreement or any dispute with respect to its meaning or application.
 - 2. An "aggrieved person" is the teacher, teachers or Association making the claim.

3. A "party in interest" is the teacher or teachers making the claim and any persons who might be required to take action or against whom action might be taken in order to resolve the claim.
4. A "teacher" is any person in the Unit covered by this Agreement.
5. For the purpose of grievance proceedings, a "day" shall mean a working business day (Monday through Friday).

C. Time Limits

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by written mutual agreement.
2. A grievance shall be deemed to have been waived unless submitted in writing at Level One within twenty (20) days after the aggrieved party knew or should have known in the exercise of reasonable diligence of the act, events, or conditions upon which the grievance is based.

D. Informal Procedure. If a teacher feels that he or she has a grievance, the teacher will first discuss the matter with the principal in an effort to resolve the problem informally.

E. Formal Procedure

1. Level One - School Principal

- (a) If an aggrieved teacher is not satisfied with the outcome of the informal procedure, the teacher may present the claim as a formal grievance in writing to the principal, and shall identify the aggrieved party, the contract provision alleged to have been violated, the date, time and place where the alleged events or conditions or acts constituting the grievance occurred and the identity, if known, of the person responsible for causing the act, event or condition and a general statement of the grievance and the relief sought by the aggrieved party.
- (b) The principal shall, within ten (10) days after the receipt of the written grievance, render his or her decision and the reasons therefore, in writing, to the aggrieved person.

2. Level Two - Superintendent of Schools

- (a) If the aggrieved is not satisfied with the resolution at Level One, or if no answer is received, the teacher may, within ten (10) days, submit it to the Superintendent at Level Two.
- (b) The Superintendent and up to three (3) representatives shall, within ten (10) days of receipt of the grievance, meet with the aggrieved party for the purpose of resolving the grievance. A maximum of three (3) representatives of the Association may be present.

- (c) The Superintendent shall, within ten (10) days after the meeting, render his decision and the reasons therefore in writing to the aggrieved.

3. Level Three - School Board

- (a) If the aggrieved is not satisfied with the disposition of the grievance at Level Two, the teacher may, within ten (10) days after receiving the Superintendent's response, request in writing a meeting on the matter before the Board by sending written notice to the Superintendent.
- (b) The School Board and their representatives shall, within twenty (20) days after the receipt of the appeal, meet with the aggrieved teacher and with a maximum of three (3) representatives of the Association for the purpose of reviewing the grievance with the aggrieved person.
- (c) The Board shall, within ten (10) days after such meeting, render its decision and the reason therefore in writing to the aggrieved teacher.

4. Level Four – Grievance Mediation

- (a) In the event that the decision of the Board as rendered pursuant to Article 5, Section E(3), is not acceptable to the grievant, then the Association may, within ten (10) days after the decision due date, or receipt of the Board's response, file a written notice with the opposite party to submit the grievance to Grievance Mediation. Either party may decline to engage in mediation. If both parties do not agree to mediation, the Association may proceed to Level 5 by submitting written notice to the Board within 20 days after receipt of the Board's response.
- (b) The parties shall attempt to mutually agree upon a mediator. If the parties cannot agree upon a Grievance Mediator within five (5) days from when notice to mediate is filed, either party may request that the Executive Director of the Maine Labor Relations Board appoint a Grievance Mediator from the Panel of Mediators. The parties shall share the expense of Grievance Mediation equally. If the parties fail to agree to accept the final recommendation by the Grievance Mediator, the grievance shall go to Level 5 upon written notice by the Association, within ten (10) days of the last mediation session.

5. Level Five - Impartial Arbitration

- (a) If the aggrieved is not satisfied with the disposition of the grievance at Level Four, he/she may request that the Association submit the grievance to arbitration. If the Association decides to proceed with the grievance, it may, within ten (10) days of receipt of the decision at Level Four, submit the grievance to arbitration by so notifying the Board Chair and Superintendent in writing.
- (b) The Chairman of the Board and the President of the Association or their designated representatives shall, within five (5) days after such notice, jointly select a single arbitrator who is an experienced and impartial person of recognized competence. If the parties are

unable to agree upon an arbitrator within five (5) days, the American Arbitration Association shall be called upon to propose the names of arbitrators, and the parties shall follow the procedures of the American Arbitration Association to select an arbitrator.

- (c) The arbitrator selected shall confer promptly with the representatives of the Board, representatives of the Association, and the aggrieved, shall review the record of the prior meeting(s), and shall hold such further hearings with the aggrieved teacher and other parties in interest as he or she shall deem requisite.
- (d) The arbitrator shall, as soon as practicable, after his or her selection, render a decision in writing to all parties in interest, setting forth his or her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision, which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The arbitrator shall have no power to add to, subtract from, or modify the provisions of this Agreement, and shall confine any decisions to the meaning of the specific written contract provision(s) which gave rise to the dispute. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties subject to judicial review.
- (e) The cost for the services of the arbitrator shall be borne equally by the Board and the Association.

F. Miscellaneous

1. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this grievance procedure.
2. Failure at any level of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next level. Failure at any level of this procedure to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.
3. Schedule "C" will be the form used for filing and processing grievances.
4. Whenever possible, all meetings and hearings under this procedure shall be after the close of the normal school day and shall not be scheduled to interfere with any assigned extracurricular activities of the aggrieved party or parties in interest that may also be necessarily involved. If not possible, then the aggrieved party is not expected to return to duty for the remainder of that school day.

ARTICLE 6
TEACHER RIGHTS

- A. Nothing contained herein shall be construed to deny or restrict any teacher such rights as he or she may have under State of Maine school laws. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.
- B. Continuing contract teachers may only be disciplined, dismissed or non-renewed for just cause. For purposes of this Agreement, the term "just cause" means that the reason for discipline, discharge or non-renewal is not arbitrary or capricious and is reasonably related to the responsibilities of a teacher or the School Board's operation and management of the school system. The word discipline as used herein means "punishment or disciplinary action for the sake of training or correction."

3. The teacher will be promptly informed in writing when the investigation is completed of any determinations made, except when the matter has been earlier terminated.

4. If the result of the investigation is that the allegations or complaints are unfounded, no records pertaining to the allegations will be placed into the teacher's personnel file, but such records may be retained in a separate location.
- E. Although the Board agrees to protect the confidentiality of personal references, academic credentials, and other similar documents, it shall not establish any personnel file which is not available for the teacher's inspection. No material derogatory to a teacher's conduct, service, character, or personality, shall be placed in his/her personnel file unless the teacher has had an opportunity to review the material. The teacher shall acknowledge that he/she has had the opportunity to review such material by affixing his/her signature to the copy to be filed with the expressed understanding that such signature in no way indicates agreement with the contents thereof. The teacher shall have the right to submit a written response to such materials and his/her answer shall be reviewed by the Superintendent or his/her designee and attached to the file copy.

A teacher will have the right to examine his/her file during normal business hours of the office in which the file is kept within five working days of the request. The teacher may obtain one copy annually of any material in the personnel file at the Board's expense.

5. Recognition of increased professional training will be made upon receipt of an advanced degree. A teacher who anticipates that his/her degree status will change in the subsequent fiscal year (July 1 – June 30) shall give written notice to the Superintendent of the anticipated change as soon as the teacher knows that his/her degree status will change. Once a teacher provides such notice and an official transcript noting completion of the degree is received by the Superintendent, the teacher will be placed on the appropriate step of the salary schedule within three weeks of the date the teacher provides this information to the Superintendent.
- B. Annual employment contracts shall be issued to teachers as soon as possible after the District budget has been approved. Teachers shall have two (2) weeks after receipt to sign and return the contract indicating their acceptance of the stated salary and their intention to return the following school year. At the beginning of the school year, teachers will be provided with a form prepared by the District on which to record lost planning time, and the building principal will upon the teacher's request verify the losses by signing the form upon each occasion of lost planning time. Teachers must request an administrator's signature within two working days of the lost time, and teachers are responsible for keeping their individual records of lost time. Any half-day earned must be used within one year of accrual.
